1. The attached copy of report from the Commanding Officer, USCGC BIRB regarding an unidentified radar target, is self-explanatory and forwarded for your information.
2. Also inclosed are two copies of a report received from the Commanding Officer, Coast Guard Air Station, San Diego, California with reference to the sighting of vapor trails. This report was apparently submitted by Coast Guard aviation personnel because of the local attention they attracted and to throw light on subsequent wild reports that might be received from unqualified observers from that area.
