1. DATE - TIME GROUP 7 January 50 08/0415Z	2. LOCATION Corona, New Mexico
3. SOURCE Military	10. CONCLUSION Astro (METEOR) Evaluated as a Meteor observation.
4. NUMBER OF OBJECTS One	
5. LENGTH OF OBSERVATION 10 Seconds	
6. TYPE OF OBSERVATION Ground-Visual	11. BRIEF SUMMARY AND ANALYSIS When first sighted it was at 45 deg. Object descended at approximately 60 deg angle from horizon to a position just above horizon caused by the mountain range where it leveled out and traveled approximately 10 deg East, at which time it dropped behind the mountain range out of sight. First appearance of object was yellowish white. Object appeared to be more orange than originally with a trail of flame projecting out to its rear or opposite the direction it was traveling. When it reached position where it leveled out it became a bright blue-green in color and remained that color until it passed out of sight. Round ball shaped.

DETAILS:

1. This investigation predicated upon a directive (AFCSI Letter No. 85) dated 12 August 1949, to report all sightings of unidentified flying objects.

AT HOLLOMAN AIR FORCE BASE, NEW MEXICO

2. Captain ~~XXXXXXXXXXXXXXXXXXXX~~, Assistant Motor Maintenance Officer, Holloman Air Force Base, was interviewed on 10 January 1950 concerning his sighting of an unusual aerial phenomenon and the following information was obtained:

- a. Date of sighting: 7 January 1950
- b. Time of sighting: 2215 hours.
- c. Where sighted: From ground, traveling in automobile, south of Corona, New Mexico.
34° 13' North Longitude
105° 35' West Latitude
- d. Number of objects: One
- e. Observable celestial phenomena or planets that may account for the sighting: None
- f. Distance of object from observer:
 - (1) Laterally or horizontally: Undeterminable.
 - (2) Angle of elevation from horizon:
When first sighted - 45°.
Object descended at approximately 60° angle from horizontal to a position just above horizon caused by the mountain range where it leveled out and traveled approximately 10° East, at which time it dropped behind the mountain range out of sight.
 - (3) Altitude: Undeterminable.
- g. Time in sight: Approximately 10 seconds.
- h. Appearance of object:
 - (1) Color: First appearance was yellowish white. During its travel downward at 60° angle, object appeared to be more orange than originally with a trail of flame projecting out to its rear or opposite the direction it was traveling. When it reached position where it leveled out it became a bright blue-green in color and remained that color until it passed out of sight.
 - (2) Shape: Round - ball shaped.
 - (3) Apparent construction: Unable to determine.
 - (4) Size: It appeared to be the same size as a cup 6" in diameter at arm's length.

~~SECRET~~
UNCLASSIFIED

- i. Direction of flight: Was traveling from Southwest to Southeast.
- j. Tactics or maneuvers: None, other than the ones described above.
- k. Evidence of exhaust: None
- l. Effect on clouds: No clouds in sight.
- m. Lights: The object itself was a light.
- n. Support: None visible.
- o. Propulsion: Object's tail of fire could possibly be the result of its mode of propulsion.
- p. Control and stability: Good
- q. Air ducts: None visible.
- r. Speed: Object descended at approximately the same speed as a fast jet fighter. However, it seemed to slow down upon leveling off over the crest of the mountain.
- s. Sound: No sound audible.
- t. Manner of disappearance: Disappeared behind a mountain range.
- u. Notes relative to observer:

- (1) Name: Captain ~~XXXXXXXXXX~~, ~~XXXXXXXXXX~~
- (2) Address: Officers Quarters, Holloman AFB
- (3) Occupation: ~~Assistant Manager, Holloman AFB~~, Holloman AFB.
- (4) Place of business: Holloman AFB
- (5) Pertinent hobbies: None
- (6) Ability to determine: Average
- (7) Reliability of observer: Reliable
- (8) Former sightings: Observer has noticed objects prior to this instance but had assumed that they were some natural phenomenon and of no significance.
- (9) Witnesses:
Mr. Warren Ratliff, Manager of Mountain States Telephone & Telegraph Co., at Carrizozo, N.M.
- Reliable.

3. Check of the Electronics and Atmosphere Research Branch, Holloman AFB, revealed that they had no radar in operation at the time of this sighting. Further check with the Base Weather Station revealed

UNCLASSIFIED
