SUBJECT: Unidentified Flying Object

TO: Commanding Officer

ATTN: Intelligence Officer  
Lake Charles Air Force Base  
Lake Charles, Louisiana

About 0150 hours, Saturday, 9 August 1952, I was standing on a street one block west of the 68th Bomb Wing Headquarters building when I spotted a round-shaped object moving north to south until it crossed the Air Base, where it stopped and hovered for approximately two seconds, then moved off in a direction due west of me until it disappeared. The sky was cloudy in spots, but this didn't hamper sighting at all. The object seemed to be below the clouds. It seemed to be at about five thousand (5000) feet. There was no sound, but it did have terrific speed.
