MANLEY, AF-14479480, 3550th Air Police Squadron, Patrick Air Force Base, Florida, saw a bright object flying approximately 100 feet high, to the Northwest of Post #28. The object turned from white to red, to green, and to blue. The control tower was notified. MANLEY was interviewed on 18 June 1954, and advised that approximately 2130 hours, EST, 15 June 1954, he noticed a glowing light in the sky, Northwest of Post #28, at approximately 200 feet altitude, over the edge of the flying field or the Banana River. The glow appeared nearly round in shape and resembled an aircraft landing light. The glow was first noticed as a bright white, dimming to red and disappearing without moving from original position sighted. The glow appeared almost immediately in the same position, red in color, changing to bright white; remained visible a short time and disappeared suddenly. The entire period of visibility was approximately five (5) minutes. MANLEY stated that he saw a small cloud drift behind object while visible. MANLEY stated that the moon was visible south of his post and was practically obscured by clouds. The object sighted was approximately one-fourth the size of the moon, which was nearly full. It is noted that MANLEY has previously completed most of the Air Force pilot's training course.

7. On 17 June 1954, this office was advised by Major GILDELL P. MOSELEY, 10680A, Patrick Air Force Base, Florida, that at 2323 hours, EST, 16 June 1954, he sighted an unidentified aerial object from the aircraft parking ramp, adjacent to the southwest corner of Hangar 300, Patrick Air Force Base, Florida. MOSELEY called to airmen from Base Operations to witness the object. These two (2) airmen were: BYRON D. TILLEY, A/SC, AF-12462040, and JAMES E. The object moved northward to a position directly west of observers, at an angle of elevation of 50-60 degrees. The object traveled a general northerly course during this movement and appeared to veer right and left at sharp angles while moving. The rate of speed was greater than that of an aircraft. The color of the object was a blue fluorescent, changing intermittently to white. No discernible features were visible, no sound was heard, and no trail or exhaust was discernible. The light blinked continually and at regular intervals. The object appeared to climb in a northwest direction after the stop directly west of Patrick AFB.
