1. The following, received from the Cleveland, Ohio Detachment of this District Office, is forwarded for your information:

On 28 June 1954, [REDACTED] Cleveland, Ohio, telephonically contacted the Cleveland Detachment office of this District relative to sighting an unknown flying object. Upon personal interview by Special Agent JOSEPH REGGINELLO on the same date, [REDACTED] advised that at approximately 0520 hours, 22 June 1954, he was standing on the corner of West 50th and Bridge Avenue, facing North, when he saw an object come out of the skies "with the speed of wind". The object came within 200 to 300 feet of the house tops, veered suddenly and went up and out of sight again.

[REDACTED] described the object as follows:

Shaped like a cigar or dirigible, pointed at both ends.
Gray in color (possibly bluish due to early dawn).
The size of two (2) houses combined.
Not spinning, seemed to be going like an aircraft.
Emitted the odor of burning sulphur.
Came and went in a matter of seconds.

2. No further investigative action is contemplated by this office in instant matter, unless specifically requested by your Command.

1. In compliance with AFCSI Letter No. 85, dated 7 January 1953, the reported sighting of an unidentified flying object by Mr. ██████████, Savannah, Georgia, is forwarded.

2. As indicated by Mr. ██████████'s letter, the sighting occurred at 1047 P. M., 21 June 1954, from his home in Savannah, Georgia. Since cited letter appeared to be answers to a printed form, Mrs. ██████████ was contacted to determine what format had been used in filing the unidentified flying object report. Mrs. ██████████ advised that a form found in a book which belonged to Major DONALD E. KEYHOE (USMC Ret), entitled "Flying Saucers from Outer Space", had been followed. Interviewee further advised that she had also seen the object on 21 June 1954 and that her husband, Mr. ██████████, had sighted the same object on 21 and 23 June 1954. According to Mrs. ██████████, the object appeared to be similar to an airplane with a glass bottom with orange lights shining through the object. Mrs. ██████████ added that no sound emanated from the object and it moved at an extremely high speed.

3. An extract of the KEYHOE book concerning the reporting of unidentified flying objects was obtained and a copy is attached for your information and assistance in evaluating Mr. ██████████'s report.

4. This information was previously reported to the Commander, Hunter AFB, Georgia, by the Detachment Commander, Hunter AFB, Georgia.
