| 10. BRIEF SUMMARY OF SIGHTING<br>News article<br>Flying Saucer Kuopio, Sunday. Late on Saturday night a strange light phenomenon was sighted in the skies over Kuopio. The light was visible for more than 2 hours and finally disappeared in a cloud. The ball of light which approached Kuopio at 2100 looked exactly like the phenomenon seen in Kuopio during mid-summer. |  |   | 11. COMMENTS<br>Insufficient data for evaluation |  |  |
