TOLD MY doctor that was working on my back what I saw in 1957 , at that time was having sleeping and was sitting in chair, house is on a low hill and object was below star level and we have a big overhang roof as we have planes flying over our house thought it was an airpllane but thought it would hit our house it was so low, Wathing it more closley noticed it was not moving , larger than a star it sent out a sort of glow in and out ,watched for two hours fron eleven to two A.M. approximatally. when my husband turned lights on the object with dremendous speed headed east I was facing soth have windows agross front room . Following is what I told my Husband and family I saw.

March 30 around 10 to 1:30

Two objects watched by son and 15 year old daughter, One moving and changing shapes as though it was more than one and emitting small red was above tree line indistance for about 30 minutes than came down lower than headed west. The other was out west and seemed to be in line with Bendix or airport was in that same spot till we had to go to bed too tired. this one was again different in appearance as enclosed drawing

MOVED SLIGHTLY  
LEFT AND  
RIGHT.
