Low flying object about
2 to 3 miles above the earth
orbiting to the northeast. At
very high speeds. No sound,
and under a fairly cloudy
area. The speed was faster
than anything I've ever seen!
No particular color, like a
small meteor. It started
over

Dear Mr. [REDACTED]

This is to acknowledge your letter of 7 April 1960 regarding the sighting of an unidentified flying object.

Your letter contains insufficient information for a valid conclusion. Therefore request you and Herb Green each complete the attached Air Force Questionnaire in regard to the sighting and forward the completed papers to the Aerospace Technical Intelligence Center, Wright-Patterson Air Force Base, Ohio for analysis and evaluation.

Sincerely,

2 Inclosures
