7. LENGTH OF OBSERVATION not stated	8. NUMBER OF OBJECTS one into many	9. COURSE ---
10. BRIEF SUMMARY OF SIGHTING M/Gen Geo Smith (ret) now of Magnavox reported that witness observed a large single light. The light then broke into many smaller lights. No other information. Report received through staff duty officer.		11. COMMENTS Without the duration of the sighting no valid conclusion can be reached, however the description conforms closely to that of a "bolide" which was observed breaking up. If the duration was consistent with that type of sighting the case would be listed as a meteor, however the case is listed as insufficient data.

The following, extracted from Capt Saltsman's Report dated 4 Sep 60,  
is quoted for your information.

0830 - L/Col Workman, AMCSDO, called to say that he had a call  
from a M/Gen (ret) George F. Smith, now attached -- or a member  
of Magnavox Corp. Gen. Smith reported that a M██████████  
also of Magnavox, had seen a large single light near Harbor Springs,  
Md. at approximately 1030 (p.m.??). The light then broke into  
many smaller lights----No other info. ATIC has received no other  
reports of this sighting.

A handwritten signature in dark ink, appearing to read "John E. McNeill".
