10. BRIEF SUMMARY OF SIGHTING Round, white objt size of half dollar. Sighted - 30° elevation. Disappeared - 40° elevation. Plane - DC6B United, located 6551-18M, 270°, 210 knots, Seattle.		11. COMMENTS Witnesses report objt had a slight movement, which would have been due to movement of a/c. Azimuth of objt was not given, only direction of movement. Witnesses did not see objt disappear as they apparently flew into overcast reported below them. It is possible that objt was planet Venus which was in NW, and movement of a/c mistaken for movement of planet.
