Obj at considerable distance, was brilliant platinum color w/tail suspended & at end of tail was a red ball. Disappeared fm sight by rising & fading. No clouds, sky clear & brilliant.		11. COMMENTS Balloon sighting.	

24<sup>th</sup> July 1962

Bartuce.

Dept. of Defense  
Washington D.C.

Querido Sr.:

Es con mucho gusto que me  
dirija a ese departamento del gov.  
para dar a ud. una informacion  
que creo sea de gran ayuda, y una  
sugerencia.

La primer informacion es  
la siguiente; Hace aproximada-  
mente seis meses, que me acosté  
a reposar, era un día claro  
y brillante, un bonito cielo azul,  
se me ocurrió mirar por mi ventana  
acia el firmamento, y a una  
distancia considerable pude  
ver un objeto en el espacio  
que formaba una estrella muy  
grande de color platino brillante,  
de la misma forma una cola

o estela, y al final tenía una  
bolita roja, que a gran distancia  
se podía notar. Me senté para  
observarlas y la seguía con  
mi vista, y seguí subiendo a  
gran altura hasta que se me  
perdió de vista, no habían nubes  
el cielo era claro y brillante.

Le remito esta información para  
su estudio y consideración.

Lo otro es mi sugerencia, como  
nuestro gov. puede ahorrarse millones  
de dólares, que los mismos podrían  
ser útiles para fortificar y  
preparar su bases y territorios, es  
suspendiendo el allotment a las  
familiares de los soldados en el  
servicio en tiempo de paz, esto  
lo hago porque quiero corazón  
adentro a esa gran nación, y  
conste que mi esposo es retirado  
en treinta y tres años de servicio.

Respectuosamente
