Tower had numerous craft in local  
area and inbound & outbound at  
time of sighting. Further contact w/  
Mrs. [REDACTED] located lights SE of Hollywood.

Determined a C-118 in that area at  
that time circling awaiting landing  
instructions. Pilot of C-118 did  
not sight anything unusual when  
asked to search by tower when  
still in area. Called Mrs. [REDACTED] at  
2230 & gave final report to her at  
2300 telling her it was a C-118.  
Thanked her for calling.
