Person Relaying Information: Capt. Bays  
793 Radar Sq  
Hutchison, Kansas

"I have recently been contacted by Mrs. [REDACTED] an employee of the city of Hutchison, who resides at [REDACTED] "E". Mr. [REDACTED] has a 9<sup>th</sup> grade education. Under the provisions of AFR 200-2 he wished to report an Unidentified Flying Object (UFO). Mr. [REDACTED] reported that the item appeared round, about the size of a dime & yellow in color. It was a single object, traveling at jet aircraft altitude & made no noise. The light was steady in intensity, traveling in a N.E. direction. Its progress was erratic, being still for periods of time, & then moving rapidly. Time of sighting was between 0525 Z + 0535 Z. Mr. [REDACTED] attention, as well as that of his wife, was attracted by the peculiar color & erratic movement of the UFO. Mr. [REDACTED] did not appear to be drinking. In fact he has subsequently departed for his work with the City of Hutchison."
