The Hon. James S. McLaughlin
Dept. of Agriculture
Washington, D.C.

Dear Sir:

On September 14th I saw two U.F.C.s at
624 S. Main Street. The next day I heard one
two birds and they were in the
in the same place.

I would like to know what you will do
with the specimens I have.

I would like to know if you could
send me a first shot on U.F.C.s.

Thank you
