UFO Observation, 16 August 1967

FAA Control Tower
Attn: Watch Supervisor
Portsmouth Municipal Airport
Portsmouth, Ohio 45662

1. The Aerial Phenomena Branch is in receipt of an unidentified flying object report from Greenup, Kentucky on 16 August 1967 at 2300 hours, EST. The observer described the object as an orange saucer like craft with a dome on top and a red light on the bottom. He watched the object from 2300 hours, 16 August until 0030 hours, 17 August, and estimated the height of the object to be at 6000 ft alt.
2. Since Greenup is approximately ten miles from Portsmouth, perhaps personnel in the control tower observed a similar object (identified or unidentified). Information on whether any aircraft, arriving or departing your airfield, passed over the Greenup area during the time of the observation would be helpful, especially if they observed anything unusual.
