

UNITED UFOLOGICAL ASSOCIATION FORMED

11 FEB. 1963

Atlanta, Georgia- December 23, 1962 - (LS) - As announced in last week's Look-See, the Alliance has joined forces with the NARL to form the United Ufological Association. The response thus far received at Look-See headquarters is completely favorable. A copy of our constitution will be forwarded to member-groups as soon as possible. The combined Alliance-NARL Association now constitutes one of the largest organizations in UFOlogy.

The following is a run-down of the various sub-divisions under Alliance auspices. Chairmen will be announced in the near future. If you are interested in joining any special committee, write us at Look-See H.Q., or write the committee chairman when announced.

INTERNATIONAL COORDINATING COMMITTEE: This committee (sub-division) will help set up projects between our various European, African, and Australian member-groups, and our American groups. It will also aid in securing new members the world over.

NEWSPAPER COMMITTEE: This sub-division will publish Look-See and other printed material.

GENERAL COMMITTEE: This sub-division will devote itself to keeping all other sub-divisions coordinated in their projects, activities, etc.

COURT: This sub-division will have two members from the Alliance and two from NARL. It will devote itself to keeping relations between ALL UFO investigative bodies harmonious. It will hear any disputes between UFO groups and will strive to mediate any friction.

PROJECT COMMITTEE: This sub-division will help establish various projects for member-groups to participate in.

The following are services which will come under NARL auspices but will be available to the Alliance.

TAPE LIBRARY: A tape library with tapes of interest to UFOlogists will be available to all UUA member-groups. Details on this will be made available as soon as possible.

SKYWATCH (GROUNDWATCHING TEAM & FILTER CENTER): (Details on this will also be made available as soon as possible).

PUBLICITY COMMITTEE: This sub-division will work with various news bodies, UFO publications, etc. In order to let them know about current UUA projects, operations, etc. It will also work towards getting new members to join.

Our news address remains the same. Send those clippings, editorials, and reports to: Look-See, c/o ROAP, 2875 Sequoyah Drive, N.W., Atlanta 5, Ga.
