A Report of a statue that is said to weep tears of blood has come to the attention of IUFOPRA.

The statue belongs to a seventy eight year old woman in Grangecon, Co, Wicklow.

Investigation is pending re the Phenomenon. Any further information that we receive will be published in a future issue of the Newsletter or Journal.

IUFOPRA LIBRARY:

Available again is "Extraterrestrials Among Us" By George C. Andrews. This book originally published in hard back in 1986, it is now reprinted in paper back by FETE Magazine in the U.S.A. Its contents blows the lid off the cover-up regarding Ufos and their occupants. It also presents well documented cases of cattle mutilation, lights in the sky, circular flying machines and many other strange phenomena relating to ufos. It is a book that would certainly make you think. A must for any Ufo Library.

DIRECTORS COMMENT ;

In last month's Newsletter we mentioned that top Ufologist and Author Timothy Good, was coming to Dublin on 21st of May in connection with the pop group The Orb. IUFOPRA have since learned that this information is incorrect and therefore Tim will not be coming to Dublin as stated. We wish to apologise to Tim for any inconvenience caused to him. We have informed the source of this information, that it is not valid.

INVITATION:

I am still inviting Members to submit Articles, comments and suggestions for publication in our Monthly Newsletter or Journal. They may be of great value to IUFOPRA and yourselves. Maximum Lines allowed in Newsletter, 25. And Maximum lines allowed in Journal, 60 or 3 pages.

IUFOPRA JOURNAL:

We would like our Members to note that IUFOPRA publishes three Journals per Year. The first Issue covering from Jan - end of April. The second Issue from May - end of August, and the third Issue from Sept - end of December.

Our Director advises that it is not necessary to be phoning regarding when the next Issue is due. Members must realize that a Journal cannot be issued overnight. A lot of hard work goes into the publishing of your Journal. For example, the checking out of, and the careful examination of UFO Reports, Paranormal Experiences and even cattle mutilations, your letters or other articles for publication, Data from other International UFO Organisations, etc; Finally there is the printing and binding of the Journal.

The printing of the Journal is done on a sophisticated state of the art computer, by our Public Relations Officer and his Assistant, who by sheer dedication their work can go on into the small hours of the morning to try and get the Journal out to you on time. But it is not always so.

Occasionally there are teething problems. Availability of resources may be one of them. So! my dear Members. Be patient. We will do our best to get the Journal out to you in the period designated. And in the meantime, WATCH THE SKIES!.

NB:- PLEASE NOTE THAT WE ARE AT PRESENT HAVING DIFFICULTY IN PRODUCING IUFOPRA JOURNAL NO 4. OUR PRINTER IS OUT OF ACTION AND OUT OF DATE. WE ARE NEGOTIATING A DEAL FOR A STATE OF THE ART LASER PRINTER, SO THAT WE CAN PRODUCE A STATE OF THE ART JOURNAL FOR YOU OUR MEMBERS. THE PRESENT PRINTER WE ARE USING FOR OUR NEWSLETTER IS NOT SUITABLE FOR PRODUCING THE KIND OF JOURNAL WE WANT TO SEND TO YOU. OUR MONTHLY NEWSLETTER WILL TAKE THE PLACE OF OUR JOURNAL WITH ADDITIONAL PUBLICATIONS IN IT UNTIL WE COMPLETE THE DEAL OF PURCHASING THE NEW PRINTER.
